a year full of goodness.

What a year we have had at Calvary MOPS! God faithfully grew our group, new babies were born and friendships were formed. We celebrated the big and small moments and took time to notice the people right in front of us. On Thursday mornings we showed up no matter how hard it was to get everyone out the door. Our hope is that you left each meeting feeling recharged or at least reassured that you are not alone in motherhood. We have enjoyed this amazing journey with each of you and are so thankful that you have chosen this group to be your tribe. Look for more information about summer playdates and gatherings by email and on [Facebook](#) to keep you connected until we meet again in September. If you're planning an impromptu park date or girl's night out this summer, feel free to post it on Facebook to stay connected with other moms. Have a great summer break!

Love,
Your Calvary MOPS Leadership Team

To secure a spot for your children in our MOPPETS childcare, we are asking all moms to register for the 2016-2017 year. In case you missed pre-registration at the spring brunch, online registration will open up again July 15th. Scholarships are available. Stay tuned for more details this summer. Questions? Contact Meghan Wright at meghankwright@gmail.com.

Introducing the 2016-2017 MOPS Theme

We Are The Starry Eyed. Sometimes we think we have to pick one, when in reality it is always both. Light and dark, hope and fear, kindness and risk, wonder and mundane. Starry Eyed means looking for the light even when darkness is enveloping. It is an opportunity to hope recklessly and to witness God's presence guiding things seen and unseen, comfortable and uncomfortable. Click the image above to watch this year's theme video.

What MOPS means to her

At first, MOPS was a place I could detach from my daughter and have good food and adult conversation and learn how to be a better mom. Then through serving on the leadership team, I met some of my best friends. These friends have prayed for me, encouraged me, challenged me and have helped me grow in my relationship with

encouraged me, challenged me and have helped me grow in my relationship with Jesus. MOPS leadership also helped me develop leadership skills that I have used in other areas of my life, which have been really helpful!

Jeanne - Thank you so much for your amazing friendship, support and leadership throughout the years at MOPS! You have touched many women and selflessly served our group by offering your time, prayers, and a listening ear. We all will truly miss you!

congratulations
