

Save the date!

Can you believe we're more than halfway through July and the new school year is quickly approaching? Which means one of our favorite ways to spend our Thursday mornings will be back--MOPS! Hallelujah!

First meeting will be Thursday September 7th at 9:00 am-11:30 am.

We are so excited to welcome all of our lovely MOPS mommas to a new season of community, laughter, COFFEE, and grown-up conversation. We hope you're enjoying your summer and can't wait to hear about all of your adventures and misadventures!

Love,
Your Calvary MOPS Leadership Team

Current Mom Registration

Our early registration closed on May 31st, so MOPS Kids Childcare is on a first-come first-serve basis. Please contact our membership coordinator Michaela at kayla040@gmail.com before proceeding with any of the registration steps to ensure space is available in the classrooms. If you do not need MOPS Kids childcare next year, [click here](#) to register.

New Mom Registration

If you know of a new mom that is hoping to register please direct them to registration via this [link!](#)

Membership dues will be collected during the month of September (\$15 per semester or \$30 for the year). You can pay by card online [here](#), or

bring cash/check to a September meeting. If you are a new mom your first meeting is free! For scholarship information please contact Michaela at kayla040@gmail.com.

Leadership Update

We are so sad to see our lovely co-coordinator Bethany Harvey and her sweet daughter, Gracelynn, leave our MOPS tribe, but we wish her and her family the absolute best on their new adventure in Texas as her husband, Chris, accepts a job at Hardin-Simmons University. You will be missed dearly. Our thoughts, prayers, love, and positive vibes will follow you on your big move!

We are thrilled to welcome Rebecca Quillen as our new co-coordinator. This momma of four boys (!) is wise, patient, warm, and has such a big love for our MOPS moms and kiddos. Check out the rest of our [Leadership Team!](#)

Free from worry.

Free from feeling stuck.

Free from hustling to be loved.

Free from a heaviness you can't put your finger on.

Free from thinking you should be someone other than exactly who you are.

At the core, maybe what we are all longing for is to be Free Indeed.

Choosing freedom is a deeply spiritual act, one that our souls long for. That is why this year, we choose wild, unexpected freedom; the kind that brings more laughter and less worry, more contentment and less hustle. Freedom that is so contagious, the people around us are compelled toward their own liberation.

In order to unfold our wings this year, we will ...

Let Love Be The Loudest Voice

Proclaim Favor

We will bask in the freedom of living loved by understanding who God is, and who we are because of it. We will be free from the need to hustle for our worth, and we will live in the truth that we are already loved and loveable, without all the striving. We will parent with fresh perspective and will treat ourselves with tenderness, because love is the loudest voice we hear, and it is proclaiming freedom and favor.

Be Gutsy

Proclaim Release

Sometimes we don't take responsibility for our lives. We carry the weight of expectations, feeling out of control over the pace and trajectory of our days. Being gutsy is about realizing that you get to decide how busy you are, what you say yes to, what is best for your family and what you make a priority in your mothering. Your life can match your values and your passions, it will just take some guts to make it happen.

Go First

Set Free

It is a fact that freedom is contagious. That is why we are choosing to go first in order to spark a revolution of women who are choosing freedom over fear. Going first is about being courageous enough to take steps before you are ready, to share the details of your journey, to extend invitations and conquer fears, and lead the way for friends and kids and family.
